

A photograph showing the interior of a wooden gun safe. Numerous shotguns are stored vertically in a wooden rack. The barrels are dark, and the stocks are made of polished wood. A horizontal wooden bar is visible in the foreground. In the background, a small gold-colored plaque is mounted on the wall.

YOUR FINE FIREARMS COLLECTION WITH  
BEAUTY, CLASS AND SOPHISTICATION

A

GunSafe

As a keenly adept collector of finely crafted guns you understand the true beauty and balance of flawless scrollwork and virtual engravings that give your collection heritage, history and soul. **We understand that part of collecting fine guns is showcasing them and telling the story of the skilled gunsmith while becoming part of its long rich history.** For most, impeccable quality, finely crafted detail, and unique design can be easily appreciated by the most novice casual observer as well as the astute professional collector. In the spirit of gun collection purity, it would, indeed, be a travesty to lock them away in a steel vault for no one to enjoy.

Your gun collection deserves to be displayed, albeit securely. GunSafe provides you the certainty that your collection is secure. Careful attention to detail and a conscious effort to enhance the romantic feel of your keepsakes, GunSafe was built to be the perfect complement to your investment. Beautifully displayed. Appropriately secured.

# FEATURES

GunSafe

A UNIQUE REPOSITORY FOR DISPLAYING FINE FIREARMS WITHOUT SACRIFICING SECURITY

## 1 - QUALITY MATERIALS

Solid hardwood construction provides strength and security.

## 2 - LIGHTING

Inset lighting system operated by touch control sensors inconspicuously located on display case door hinges.

## 3 - LOCKING MECHANISM

Protected by a high security lock. Locking mechanism is dimple constructed to essentially pick proof the lock against would-be thieves.

## 4 - STEEL REINFORCED

GunSafe protects displayed guns with two rectangular bars of hardened steel within wood cladding that features a removable locking top bar for easy access.

## 5 - EASY HANDLING

Storage base and display case are separable for shipment and handling.

## 6 - STORAGE

Closed cabinet storage area for safekeeping important items.

## 7 - HIDDEN SAFE

Hidden lockable steel safe door located in base for storing ammo, pistols and other valuables. Safe includes adjustable shelf.

## OVERALL DIMENSIONS OF THE GUNSAFE CABINETS:

12 - Gun Cabinet – 77 1/2 H x 42 W x 21 1/2 D  
6 - Gun Cabinet – 77 1/2 H x 34 W x 21 1/2 D

## ◀ ATTENTION TO DETAIL

Built to become your most treasured piece of furniture. GunSafe can be incorporated into many furniture arrangements and stylings.

## ▲ REFINED ACCENTS

Gunstocks comfortably rest in premium-grade leather inserts. Precision tucking smartly designed to prevent accidental blemishes.

"What a beautiful, yet secure way to display our handcrafted masterpieces."  
Our Sincere Thanks,  
William & Louise Northrup, Ballard Rifle & Cartridge Co, Inc.

GunSafe's remarkable beauty and carefully detailed design provides the perfect display case for your gun collection.

## CUSTOMIZATION ►

"I am very pleased with the custom made entertainment center/GunSafe. I cannot say enough about what a pleasure it was working with these extremely nice people who made sure everything was just right."

FULL DRAWERS

For additional storage space, the dovetail-constructed soft maple wood drawers can be added to cabinet storage areas. Drawers fully extend and have a unique system for smooth and silent closing. Hidden self-retracting mechanisms close drawer with a light touch. Drawer options can be ordered individually in divided compartments or as two full-width storage cabinet drawers.

### POLYCARBONATE PANEL

For additional protection, the impact-resistant, clear polycarbonate panel prevents possible disassembly of guns locked within the case. The removable one-fourth inch polycarbonate panel slides into a metal channel and is locked in place with a hardened steel bar.

# CUSTOMER COMMENTS

“It’s rare when something exceeds your expectations, but the arrival of my GunSafe did just that. The design and craftsmanship is superb.”

*J.P.- Duxbury, MA*

“The craftsmanship was better than anything I’ve ever seen. I most enjoy being able to display my guns with the comfort of security. This is not a traditional piece of furniture but a beautiful heirloom.”

*T.D.- Champaign, IL*

“Because we have Victorian furniture, any piece we added had to have eye appeal. The GunSafe is a very nice design and fits right in.”

*F.F.- Mantoloking, NJ*

“At a time when mediocrity seems to be the order of the day, the security and beauty of my GunSafe cabinet rises significantly above the competition. It is truly a beautiful piece of furniture and a wonderful addition to my trophy room.”

*J.C.- Whitefish, MT*

“I very much appreciate the quality of the materials, craftsmanship, and attention to detail—so rare these days. It’s a very handsome piece—even my wife likes it!”

*N.R.- Boulder, CO*

“I want to let you know how thrilled my wife and I are with the GunSafe we purchased from you. Every specification was met perfectly. The workmanship is excellent. I expected a quality product but you exceeded my expectations. Your delivery team was very nice, efficient, and friendly.
